

Spiritual Growth

Part of the ACA framework includes Biblical teaching and scripture memorization for all students. We focus on 12 areas of Biblical character, the Armor of God, books of the Bible, and key passages. Students memorize 12-24 Bible verses per year, with students receiving instruction twice per week.

Spiritual Growth Curriculum at a Glance:

- The Lord's Prayer recited daily in the morning meeting
- Prayer throughout the day to reset and reflect
- Warrior Training Curriculum (bible verse memorization, SEL standards, character development)
- Big/Little Curriculum (SEL standards, leadership, character development)
- Biblical Worldview (The Bible will be utilized to build character, give a faith-based perspective to history and science, etc.)
- Spiritual growth will be the foundation of the ACA behavior policy
- Character Awards given weekly/monthly
- Faith-based music will be utilized and taught in the music curriculum, as well as school performances, activities. etc.
- Yoga physical practice

If a family does not want their child to participate in any of the above spiritual growth activities, special accommodations may be made by scheduling an appointment with the program director. ACA respects your family values, and aims to cultivate a culture of respect and accountability. ACA staff will model clear, consistent, and open communication to ensure healthy, thriving community relationships.
